BOB LANCER'S BFTS / DHR

State Accredited Trainings for Teachers and Childcare Professionals

Who Is Bob Lancer? I'm the host of the WSB Radio show, *Bob Lancer's Parenting Solutions*, the author of the book, *Parenting With Love, Without Anger or Stress*, and the Child Discipline Expert of WXIA TV News in Atlanta. I have been presenting trainings to teachers and childcare professionals (as well as to parents) for 20-plus years. I'm a former schoolteacher, a parent, and I routinely present trainings and keynotes at national and international conferences including NAYCE, NACC, and NAFCC. For more information, please see my website at www.boblancer.com

Recent Testimonial: "Dear Bob, I can not thank you enough for the trainings last week. I have heard nothing but FANTASTIC complements all the way around! You were so inspiring not only for the teachers but for myself and my coworkers." Lea J. Martin, Family Resource Coordinator

9 Motivating Trainings To Choose

1. Take Charge Now / Parenting With Love

Learn Proven Strategies for SUCCESSFULLY guiding child behavior with love and peace and WITHOUT anger or stress. Calmly, confidently, competently be in charge WITHOUT arguing, pleading or raising your voice. Enjoy respect, peace, harmony, cooperation and learning in your classroom, center (and home!)

2. Positive Communication Skills (Speak Up / Listen Up)

Learn how to communicate your way to stress-free success with children and adults. Improve your positive communication power and skills for easier cooperation, better understanding and more respect in your relationships with children and adults. Tired of not being heard? This class is for you.

3. I Am Worthy Of Love (Raising Children With Healthy Self-Esteem)

Learn how to relate with children of all ages, from infants to teens, in a way that builds healthy self-esteem that lasts a lifetime. Bring out each child's potential to make healthy and positive choices for himself/herself, leading to the child's responsible self-direction.

4. Master Your Time

Learn how to make time your ally instead of your enemy. Eliminate the stress and frustration of impatience, rush and overwhelm AND accomplish more of real value everyday.

5. Positive Team-Building

Build positive teams with fellow staff, parents, and children to achieve more easily together. Learn keys to motivating, earning trust, improving morale and cooperation through team spirit. Learn how to recognize and develop the traits of a positive team player how to respond to non-team players.

6. The Self-Creative Environment

Learn how to create surroundings that nurture and support the higher potential of children (and adults). Create environments that positively impact the child's conduct, performance, self-esteem and development, making child behavior management easier. Children reflect their surroundings with their behavior.

7. Leading With Love (Great Leadership Lessons)

Learn how to apply powerful, positive principles and practices of executive leadership to more easily achieve higher levels of cooperation and mutual respect in your relationships with children and adults. Eliminate power-struggles with calm confidence. Discover how leading with love can work for you.

8. Delightfully Dealing With Difficult Children

A difficult child comes into your life when it is time for you to grow. A difficult child knows how to push buttons and pull strings. Learn stress-free, anger-free, constructive ways to delightfully deal this. It's time to stop feeling dominated, frustrated, out of control.

9. Banish Stress For Happy and Healthy Success

Learn how to eliminate anger and stress without losing your edge. Improve your relationships with children and adults by eliminating painful frustration, impatience and aggravation. Be in charge with Peace, Poise, and Power.

My programs are highly motivational and uplifting, as well as instructional, as I focus on helping teachers feel more empowered, motivated, calm. I emphasize building strong connections with children (as well as with parents and fellow staff) as the key to more easily reaching, teaching, and leading the children without

anger or stress. I also clarify the causes behind children's behavior, and how to cause the positive behaviors you want, particularly during the first 6 years of life. Call my office any time at 770-364-9580.

Recent Testimonial: "Dear Bob, Just a note to tell you how wonderful you were last night at the presentation. The feedback I've gotten thus far has been VERY positive. You are a gift! Thank you for doing what you do and sharing your wisdom to enlighten others...The children of tomorrow will be MOST appreciative!" Lauren Zimmet, Children's Speech Pathologist
